

The annual House and Garden Awards have become a popular fixture in the Dromiskin Tidy Towns calendar. These awards acknowledge the efforts of many in our community in presenting their homes and outside spaces in the best possible fashion. This in turn enhances the appearance of the whole village with excellent floral displays and sympathetic, creative planting attracting our bees and butterflies. We are indebted to Ardee Credit Union, our sponsors, for their continued support and to Councillor Liam Reilly who provided additional prizes in 2022
